STUDENT GUIDE

MUSIC LESSONS SHOULD BE FUN!

Welcome to Don't Stop Rockin', South Austin's premiere music school for students of all ages. We believe the most effective approach to lessons is to teach students the music they love! When a student enjoys learning an instrument, not only do they progress quickly, they develop a lifelong appreciation for music. Our goal is to create well-rounded musicians who are confident, curious and excited about music! Come find out why Don't Stop Rockin' is the music school you've been searching for.

OUR PROMISE

With just one lesson per week and 15 minutes of daily practice, you'll learn to sing or play an instrument in three months or less.
